

HURRICANE HELENE'S DEADLY WARNING

JOIN US FOR A SPECIAL SCREENING & DISCUSSION

April 22nd (Earth Day) at 7:30 PM

**First Parish Church United
48 Main Street, Westford**

Admission: Free! (Donations gratefully accepted)

Think Globally, Act Locally:

Following the film, Mike Berlinski (Chair of Westford Clean Energy and Sustainability) will discuss what Westford is doing to curb global warming and what you can do to help.

Hurricane Helene was a wake-up call. Join us this Earth Day for a compelling look at why the U.S. is increasingly vulnerable to climate-related storms. Participate in a discussion with fellow community members on local climate action efforts and how we can all have an impact.
